Zadanie 1.

Tekst 1.

Dziewczynka: Hi Larry, what are you doing?

Chłopiec: I'm walking my dog in the park.

Dziewczynka: Which park? I'm in The Rose Park with my younger sister. We went out to get some ice cream, but I forgot to take my wallet and now we're here, in the playground, by the swings.

Chłopiec: Great, I'm in the same park right now, by the pond. Don't go anywhere and I'll meet you in 5 minutes.

Dziewczynka: OK, we'll be here, swinging.

Tekst 2.

Mężczyzna: Carrie, where's Fluffy? I haven't seen her since this morning.

Kobieta: I know that Larry took her to the park this morning.

Mężczyzna: Yes, but then they came back.

Kobieta: She's not in the garden either, I was there 10 minutes ago.

Mężczyzna: Let's look inside the house, she must be somewhere here.

Tekst 3.

Mężczyzna: What's your favourite ice cream flavour, Sandra?

Dziewczynka: I think I like vanilla and chocolate the most.

Mężczyzna: I like vanilla too, but my favourite flavour is strawberry. When you finish watering the plants and I'm done with mowing the lawn we'll go to get some ice cream.

Dziewczynka: Perfect! I'm almost finished here.

Zadanie 2.

Kobieta: Let's go for a cup of coffee, Miley's just called and she said that she and some friends are at The Coffee Club. It's just round the corner.

Mężczyzna: Ok, I think I can see them. Is that Miley writing something on her laptop?

Kobieta: No, that's Nora. Miley's writing something in her notebook. She's sitting next to Jason, the dark-haired man, he's Max's cousin. Do you know Max?

Mężczyzna: No, I'm afraid I don't.

Kobieta: Max is wearing a checked shirt and he's holding a white cup in his hand.

Mężczyzna: Ok, now I recognise him. They look like they're working.

Kobieta: Let's go and say hi and maybe we'll get some coffee to go.

Zadanie 3.

Dialog 1.

Mężczyzna: Alice, could you pass me the sugar, please?

Kobieta: Dan, sugar isn't good for you! I'll give you milk and you can have your coffee white.

Mężczyzna: Alice, I don't like my coffee without sugar and I've never drunk white coffee.

Kobieta: Just try it, you'll like it!

Dialog 2.

Mężczyzna: Laurie, it's really nice outside, why don't we go out and have some ice cream?

Dziewczynka: Dad, I have to finish my Art project first.

Mężczyzna: Is that the cardboard castle that you glue the matches on?

Dziewczynka: Yes, it is. It's almost ready. Meera and Sandy are coming to help me today.

Mężczyzna: That's good, maybe when you finish we can all go out for ice cream.

Dziewczynka: That'd be great!

Dialog 3

Chłopiec: I want to be a firefighter when I grow up. I made that decision last evening when I watched a documentary showing the hard work of a fire brigade in Brighton. In one of the scenes a family called the brigade saying that the top floor of their house is on fire and their cat is trapped in one of the rooms. The firefighters went into the room on a ladder and found the cat under the bed. It was really scared but alive! The family was very happy. They say they will never forget saving their pet.

Zadanie 4.

Tekst 1.

Kobieta: I've changed my job several times before, but now I'm more excited than ever! Next Monday I am opening my restaurant and I'm going to work a bit as a cook, a waitress and a manager. I used to work in the pre-school as a teacher for 6 years and in an animal shelter for 2 years, so my restaurant is going to be children and animal friendly for sure!

Tekst 2.

Chłopiec: Dad, could you help me, please? I can't understand my homework.

Mężczyzna: Of course. What should I do?

Chłopiec: Bring me a ruler, please, sit next to me and look at my notebook. And could you take my sister away from here!

Mężczyzna: Calm down, Matt. Laura is playing with her blocks, she can sit with us.

Tekst 3.

Dziewczynka: I used to go to swimming lessons every Monday and Wednesday but then I started my dancing classes on Wednesdays so I quit swimming on that day. On Thursday I've got my extra English classes, which I like very much. Tuesdays and Fridays are my days off. I often hang out with my friends riding bikes.

Tekst 4.

Mężczyzna: My love for sport started in my childhood when I got my first bicycle and my dad taught me to ride it. Then, when I was ten, my mum bought me a skateboard. Me and my friends skated all the time during holidays and after school during school weeks. One winter my uncle took me to the mountains and showed me snowboarding! I loved it instantly! I promised myself to try one new sport every month. If I like it I keep doing that. This month I'm trying kitesurfing!

Tekst 5.

Mężczyzna: It's bedtime, Nicky. Let's go!

Dziewczynka: Dad, I don't want to take a shower right now, I'll do that in the morning.

Mężczyzna: All right, just put on your pyjamas and brush your teeth.

Dziewczynka: OK, good night, dad.

Mężczyzna: Good night, Nicky.
